By what approach will you be joining Pilgrim Congregational Church?

_____ **Re-Affirmation of Faith** (for those who have previously made a Confession of Christian Faith, for instance, by having completed a Confirmation process, or as a result of having joined a Church in the past)

_____ **Confession of Faith** (for those who have never made a Confession of Christian Faith, either by having completed a Confirmation process, or by having previously joined a Church)

_____ **Letter of Transfer** (for those who are currently Members in another Christian congregation, an official document acknowledging the change in Membership is exchanged between that Church and Pilgrim Church upon your request to your former Church)

Please compose a brief biographical statement. Unless otherwise requested, we will include this statement, in whole or in part, as part of our Worship Bulletin. (USE A SEPARATE SHEET IF NEEDED)

Please indicate your past involvement in Churches, whether or not you were officially a Member. If you held official positions, or served on Boards or Committees of such Churches, please include that information.

Please tell us what areas of particular interest you bring to your desired Membership at Pilgrim Church. For instance: outreach, teaching, youth work, program developing, choir, fellowship programs, etc.
